

**Murray-Heutz Oil and Propane**  
Service, Quality and Value – *Guaranteed.*

**Job Description**

**Job Title:** Warehouse and Inventory Coordinator      **Reports to:** Service Manager  
**Location:** Turner, Maine      **Position Classification:** Non-Exempt, Seasonal, PT

**Position Summary**

The Warehouse and Inventory Coordinator ensures a high level of internal and external customer satisfaction by collaborating with members of other departments to coordinate inventory products needed to serve current and potential customers.

**Position Responsibilities**

- Coordinates movement from the warehouse and storage areas to shipment or point of sale
- Prepares, monitors and assists in the loading and unloading of product
- Ensures that all company products are moved in or out of the warehouse in a safe and timely manner
- Responsible for managing documentation, handling accounting and record keeping activities of the warehouse
- Working with technicians to complete parts lists on installations to provide service dispatcher for billing
- Processing returns for credits on installations
- Verifies accuracy and counts of incoming parts and materials invoices
- Processing all incoming invoices from vendors
- Manages product inventory and adjust any entries that may need to be corrected
- Conducts physical inventories to determine losses and identify stocks for shipment
- Prepares special orders for products not in stock
- Initiates communication with employees, vendors, suppliers and customers to develop relationships and build trust
- Tracks and maintains company tools and equipment assigned to the service department
- Verifies product inventory reports by comparing logs and reports and adjusting entries
- Documents actions by completing forms, reports, logs, and records and maintaining databases
- Investigates and reports warehouse operational discrepancies
- Suggests and deploys processes to increase customer satisfaction, efficiency, value and/or lower costs
- Involved in special projects from time to time, depending on business need
- Responsible for any other tasks and duties as assigned, which may or may not relate to the normal scope of this position

**Required Knowledge, Skills and Abilities**

- Minimum of two (2) years of experience working directly with inventory in a warehouse setting
- Graduate of High School or equivalent
- Self-motivated with a high degree of comfort working independently in managing priorities and making

decisions

- Strong sense of professionalism and ability to maintain discretion
- Well developed verbal and written communication skills
- Demonstrated ability to work as part of a team
- Proficient user of Microsoft Office (prior experience with customized internal computer programs i.e. petroleum software application) preferred
- Must be able to pass a pre-employment physical (conducted at our occupational health provider's location)
- Must meet employment eligibility standards set for criminal and other background checks

**Physical Demands and Work Environment**

While performing the duties and responsibilities of this position, the employee may be required to:
